

GRB OUTFITTING – QUEBEC'S FINEST FISHING & HUNTING

1/10/2 - NY
1/10/3 - PA
UPDATED 1/11/1,4 - NY

ABOUT US

We are the only outfitter at Lake Germain. We own and operate only one log cabin to preserve the lake's pristine quality and perpetuate its excellent reputation for fishing walleye and northern pike. The cabin can accommodate 4 persons and is equipped with beds, wood-burning stove, propane gas refrigerator, lights and cooking stove. There are outdoor dry toilets and an emergency HF 2-way radio.

On Lake Doda and Lake Father we operate 5 camps: 3 accommodating 4 people and 2 accommodating 2 persons each. We'll be renovating the Lake Doda camps in 2011 and they will be available starting in mid-August. A narrow stream connects those two lakes so you can fish in both lakes without any portage. Those two large stretches of water abound in islands, bays, sandy beaches, deep and shallow spots... where thousands and thousands of very big fish like to live. This is the place you were looking for to spend your next vacation. Relax and fish a lot!
